

2013 Sustainable Food Fundraiser Success & Charitable Impact

With the help of some of New York City's finest chefs, the soup kitchen attracted over **300 guests** on May 16, 2013 to the first-time event, raising over **\$150,000** in cash and in-kind donations and introducing **22 new partnerships** to Holy Apostles Soup Kitchen. As result of our community's support and fundraising success, Holy Apostles Soup Kitchen will host From Farm to Tray as an annual spring fundraiser.

With the recent cuts in the food stamps program (SNAP), the soup kitchen will become a crucial source of food for many hungry New Yorkers, even more so than it is today.
